COAL. The Price is t its Lowest Poin

"Steamship passengers frequently re-sort to practical jokes to relieve the monotony of voyages," said a retired sea captain yesterday, 'and while the pranks, as a rule, are perfectly harmless TAKE ADVANTAGE OF IT BY they sometimes have a boomerang effect self were exceedingly anxious to make a eek before lowered the record held by about dusk the cry of 'Man overboard!" splash, followed by piteous appeals of 'Help, help! Save me!' The engines were stopped, and the steamer put about, a close watch being best about, a close watch being kept meanwhile for the drowning man. A half hour was spent in cruising about without results

"MAN OVERBOARD!"

and we started on our journey under the belief that the poor fellow had gone to the bottom. The inquiry that followed proved puzzling. No one was missing. and we came to the conclusion that stowaway had committed spicide. "The next day, however, an explana-tion came. We had a ventriloquist aboard in the person of a very smart young man, who was too tickled over the success of his joke to keep the secret.
"Then the laugh was on him. As he had caused a serious delay and much stance on my log and the loss of time and that on approaching shore I would detain him until a sufficient guarante had been put up that he would answer cial restitution. I talked of \$50,000 be-
